WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Set up your PlayStation[®]2 computer entertainment system according to the directions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place the Barnyard disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

MEMORY CARD (8MB)(FOR PLAYSTATION[®]2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation[®]2) into MEMORY CARD slot 1 of your PlayStation[®]2 system. You can load saved game data from the same memory card or any memory card (8MB)(for PlayStation[®]2) containing previously saved games.

GAME PROFILES

In order to save and/or track your progress through the game, you will need to create or load a Game Profile. If a memory card (8MB)(for PlayStation[®]2) is present the first time you load the game, you will automatically be taken to the Create Profile screen. If you insert the memory card afterward, you can access the Create Profile screen by selecting "New Game" and then selecting an empty game slot.

After selecting a save game slot, the intro movie will begin and you will be asked to choose a cow. Make selections by pressing the  button. Use the  button to go back. After entering your name with the directional buttons, select "OK" and press the  button.

WHEN THE FARMER'S AWAY

Straight from America's heartland comes a moving tale of friendship, adventure, and udder chaos! Welcome to the Barnyard, where animals rule and the barn-dances rock. MISSIONS

Missions drive the story forward. Throughout the game you will be asked to carry out a variety of different tasks, some more dangerous than others. One to three missions can be active at any given time, but you must complete all of them to finish the game and become a true Barnyard hero!

GAME SCREEN

1) Clock - Shows the current time on the farm.

2) Stamina - More stamina means you are able to run for longer.

3) Milk Supply - Rich, creamy, and oh-so easy to squirt. Also great for blasting enemies, so keep them udders full!

4) Inventory - Keeps track of all your collected items, and stores other useful tools.

5) Gopher Bucks - How rich are you?

6) Mission Objective – Shows your current mission objective. (Just in case you forgot!)

7) Mini-Map – Lost? No problem. This handy-dandy map gives you an overview of the nearby area, including the location of your next mission.

PAUSE MENU

Press the **START** button at any time during gameplay to pause the game and access the Pause Menu.

Continue – Resume gameplay and get back to business.

Options – Access the Options Menu.

Objective – Uh... What was your mission again?

Quit – Exit the game and return to the Main Menu.

SAVING AND SLEEPING

When the game starts, Miles will show you your sleeping area. Sleeping restores your stamina, and passes time from night to day. You can also save your current game here.

ITEMS AND ENEMIES

Food – Can be found growing around the farm. You can use food for recipes and mocktails, sell to the gophers, or enjoy a quick snack to pick up your stamina.

Gopher Bucks – Used to buy equipment, food, and barn upgrades at the Gopher Underground. Save 'em up or spend 'em quick, it's up to you.

Cell Phone – Receive text messages from other characters about missions, mini-games, and barnyard parties!

Sunglasses – Get ready for a squirting frenzy! Just lock on a target and squirt away.

Milk Cans – Fill 'em up and shake 'em up! Make cream and butter the natural way.

Keys – Collect keys to open gates to brand new areas.

Map – Rummage around in your knapsack and find this helpful guide to the barnyard neighborhood.

Bike – Hop on for faster travel around the farm. Can also be used for racing.

Metal Detector – Locate buried objects and hidden secrets.

Crates – Break 'em open and reap the rewards!

Tree Notes – These secret messages just might help you on your mission.

Milkweed – These amazing botanicals grow into real-working ladders. Just plant, squirt, and start climbing.

Flower Pack – Ten flowers of the same type make a bunch. Ahh... Smell so good!

Gold Rush Machines – Feeling lucky? Go ahead and give 'em a spin.

Raccoons – These pesky rascals tend to keep their distance, but will attack if cornered.

Coyotes – These vicious critters seldom leave the junkyard. But when they do, beware their razor sharp claws!

Farmer – While the Farmer's away the cows will play... Just don't let him catch you in the act.

Recipe Rocks – X marks the spot. Turn these rocks over to uncover a tasty recipe for cooking or mocktails!

Cookbook – This book holds all of the recipes that you find under Recipe Rocks. Gather the right ingredients and head to the kitchen to get cooking!

Mocktails – Open this book to see the Mocktail recipes that you can make in the Night Barn.
